Dear Dr. Mark:

On behalf of the Director, I want to thank you for your co-sponsorship of the recently completed Colloquium on Future Space Missions. Many of the comments which I have received indicate that the Colloquium was successful, and any success was in large part because of the support from you and the other sponsors.

I particularly want to thank you for your presentation to the Colloquium on the second day. Bob Inman told me that I missed a fine presentation, which was one of the highlights. I regret very much that I was unable to be present.

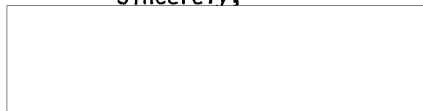

I also appreciate the support which your organization gave to the Colloquium. I particularly want to thank Pat Sweeney for his active cooperation during the formative days of the Colloquium.

You will receive a copy of the summary report on the Colloquium when it is completed. I trust that you will find it useful.

The Colloquium is an excellent example of the cooperation among various components of the United States Government. I look forward to further examples of such cooperation in the future.

STAT

Sincerely,

John N. McMahon
